Signature Required:

I hereby certify that I have **no physical or mental problems or impairments**, which would jeopardize my ability to drive an automobile or participate in this event. I also acknowledge that I must have my car inspected by a **Metro New York or Zone 1 approved tech site** and submit the completed and stamped tech form at the track. It is also required that I have a **2 1/2 lb. Fire extinguisher mounted with a metal bracket to a metal surface of the car**. Roll bars are required in Cabriolets and they must run with the top up unless arm restraints are installed. All 996/997 Cabriolets must run with hard tops in place, unless a roll bar is installed. For Boxsters, the top of the driver's helmet must be below a line drawn from the top of the factory roll bar or extension to the top of the windshield with the driver sitting in a normal upright position and properly belted in. A **Snell 2000 or 2005 rated helmet** is required. No 5-6 point harnesses may be used with stock seats. Cars must have equal restraints. **All Instructors must have their car inspected by an approved tech site and bring a stamped tech form before their first event.**

Failure to comply with any of the aforementioned stipulations will result in my being forbidden to participate in the event. I also am aware that I am solely responsible for any damage to my car regardless of the nature of the damage
